

Dear Precious Child

We know life must be really hard for you right now.
Sometimes life can be very painful and sad.
But we know that God is watching
Over you and is there to guide you.

We have had many disappointments
During our lifetime too,
But we have learned that prayer can be very powerful
And can bring great peace and happiness.
We hope that you will pray for happier times
And they will come to you.

We have enclosed a small heart
That can remind you that many people
Care about you and love you.
Heavenly Father wants you to know He loves you
And that you are very important to Him.

Please cherish this little heart
That will remind you that this packet
Was prepared with love
From Our Hearts to Yours.
