

## ***Donated Items Needed***

We provided over 25,000 kits since our inception in 2007. We couldn't do without all of the help we receive from the community. You can purchase any of the following, or go through your home and get rid of any of these items you aren't in need of. Just remember we appreciate new or slightly used items and clean books, stuffed animals, toys and dolls, etc.

Please bring donated items to our project room: 2200 South State, Salt Lake City, Utah (basement suite)
