

New Horizons

We are so grateful that you live in our beautiful valley in America.

There are so many opportunities ahead for you

In this "Land of the Free"

And God is watching over you and is there to guide you.

We pray that your future will be full of hope and joy

As you experience the freedom to make your own choices.

We know you will still have many challenges ahead of you.

But we have learned that prayer can be powerful

And can provide great peace and happiness.

We hope that you will pray for guidance

As you move forward in your life,

And you will feel it every moment of every day.

We have enclosed a small heart

That can remind you that many people

Care about you and love you.

Heavenly Father wants you to know that He loves you

And that you are very important to Him.

Please cherish this little heart and message

That will remind you that this packet

Was prepared with love

From our Hearts to Yours
