

Hearts Knit
TOGETHER

Felt Hearts

Cut 2 hearts about 6" in diameter, sew on buttons, ribbon, or trim. Put a small bit of batting in the middle of the 2 hearts and blanket stitch around the outside of the heart

Blanket Stitch

Uses: Straight and gently curved lines, borders and finishing edges.

- Work from left to right.
- Bring needle up at 1, down at 2 and up at 3, keeping the thread looped under the needle.
- Pull thread through and shape stitch as desired.
- Repeat multiple stitches until complete.

Tips:

- For an even line of stitching keep the height of the stitches even throughout.
- To vary the look of the stitch, change the height of each stitch making one long and one short.
