

Dear Friend

It is our sincere desire that this gift of love
will help you feel that you are
not alone in your suffering,
and that it will help lift your spirits
and lighten your load.

As you use these items to soothe your body,
may God's love help calm your soul
and help you through this difficult time.

We pray that you will be blessed
with hope in the future,
that you will feel God's love,
and that you will find comfort
knowing that others care about you.
