

To Our Friend

It is our sincere desire that this gift of love
will help you feel that you are not alone in your suffering.
We hope that it will help lift your spirits and lighten your load.
May this brave choice you have made
open a path to a much brighter future.

We have enclosed a hat and scarf to keep you warm when the
weather is cold. We hope your heart will be warmed knowing
that they have been stitched with love, with you in mind.

This journal is to give you an opportunity to express your feelings
during this important and difficult transition in your life.
It is our desire that it will be a source of great healing for you.
We know it can be hard to adjust to broken dreams and look to
new horizons, but we believe you are capable of great things.

We encourage you to have faith in the future.
These trials of life give us experience
and can be a great benefit to us as we turn to God.
As you use these items to cleanse your body,
may His love help to cleanse your soul
and help you through this difficult time.

We pray that you will be blessed with hope
enlightened by His spirit, and find comfort and
love Knowing that others care about you.
