

To Our Dear Sister

It is our sincere desire that this gift of love
Will help you feel that you are not alone in your suffering.
And that it will help lift your spirits and lighten your load.
 May this brave choice you have made
 Open a path to a much brighter future.

 We have enclosed a hat and scarf to keep you warm
 When the weather is cold,
 And hope your heart will be warmed
 Knowing that our hands stitched them with love.
This journal will give you an opportunity to express your tender feelings
 During this important and difficult transition in your life.
It is our desire that this process will be a source of great healing for you.

 We have experienced many joys and disappointments,
Adjusting to broken dreams and new horizons in our lives
 And we encourage you to have faith in the future.
 These trials of life give us experience
 And are of great benefit to us as we turn to God.

 As you use these items to cleanse your body,
 May Heavenly Father's love help cleanse your soul
 And help you through this difficult time.
We pray that you will be blessed with hope in the future,
 That you will be enlightened by His spirit,
 And that you will find happiness and love
 Knowing that others care about you.
