

Precious in His Sight

A newborn baby is the most beautiful gift we will ever have in our lives.

Sometimes the actions of others may cause deep pain and suffering, but the endearing love a mother has for her child is constant.

As you hold this precious baby in your arms, may you feel a source of strength knowing how much God loves both you and your child. His desire is that you will be successful in all you do and your relationship with Him can be a source of comfort and joy to both of you.

We have enclosed some lovingly prepared items that were created specifically for you and your baby.

We hope they will give you peace as you share them with your little one.

Please keep this little heart and remember that this gift was prepared with love.
