

JINGLE BOX

You will need: ²³ 21 19 17 15 13 11 9 7 5 3 1

Needle with blunt end and large eye

15 yards of yarn

Thread needle. Push up through #1 hole, leaving a 1 1/2 " tail on back side. Holding tail push needle down through #2 hole. Push up through #3 hole, down through #4. Keep at it until you are through 45 and 46.

Weave yarn through the back to secure it, cut. Repeat this for a total of 6 panels. Sew panels together in pairs then edges of pairs together to form a box. Place jingle bell in the box before sewing the last edge together. To finish threads run needle underneath a few stitches on back side of panel.
